**ON PETITION**

This is a decision in response to the petition, filed October 23, 2007, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

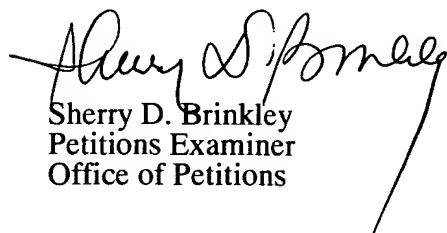

The application became abandoned for a failure to reply in a timely manner to a non-final Office action mailed December 14, 2005. A Notice of Abandonment was mailed on March 22, 2007. In response, on October 23, 2007, the present petition was filed.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment; (2) the petition fee of \$770; and (3) an adequate statement of unintentional delay.

37 CFR 1.137(d) requires that any petition to revive in either a utility or plant application filed before June 8, 1995, be accompanied by a terminal disclaimer and fee as set forth in §1.321. Since this application is filed *after* June 8, 1995, no terminal disclaimer and fee are required. Accordingly, the terminal disclaimer filed October 23, 2007 is **not** accepted and \$65 fee paid therefor is being refunded to counsel's deposit account.

The application is being referred to Technology Center AU 2623 for consideration of the amendment filed October 23, 2007.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
